The club is invited to our house for a Corn Harvest Day on Sunday, September 29, 2013. Folks can arrive at 10:00am to participate in harvesting corn. A pot luck lunch will be at noon, immediately followed by the club business meeting.

For this event we invite members to bring their two-cylinder tractors to bind corn and haul it back to the stationary chopper/blower. We will dust off our binder and chopper for this event, and members may hook up to these machines. Anyone wishing to bring their own equipment may do so.

If anyone has any questions regarding this event they can call Lucas or Kris Vaughan at 802-584-4030.
